Procedure regarding forwardal of applications, petitions, appeals, memorials, etc., to the Commission by candidates who are in service.

It has come to the notice of the Commission that some of the candidates who are already in the service of Government, submit their applications, petitions, appeals and memorials regarding appointment, earning increments, confirmations, promotions, etc., direct to the Commission instead of to their official superiors. The Commiss on observes that this is contrary to the office discipline and procedure.

It is therefore directed that candidates in service should, in future, submit their applications, petitions, memorials, etc., to their official superiors and not to the Commission. Failure on their part to comply with this direction will render them liable for such disciplinary action as it is considered necessary.

The officials concerned are therefore advised to approach their departmental heads for redress instead of preferring appeals direct to the Commission.
